The appellants/petitioners seek review of the denial of their motion to quash. They have moved for a stay or injunction pending appeal and pending consideration of their petition for a writ of mandamus. The plaintiffs have moved to dismiss the appeal for lack of jurisdiction. The appellants/petitioners are now before the court with a motion for an expedited ruling on their motions for a stay or injunction because the plaintiffs have served subpoenas on John Jay and Terry Gaines to appear for depositions on Tuesday, March 8, 2005.

In order to permit consideration of the pending motions and the petition for a writ of mandamus by a three-judge panel of the court, the depositions scheduled for March 8 are temporarily stayed.
